

ST ANDREW'S RC SECONDARY SCHOOL

PARTNERSHIP BASE PROSPECTUS 2024

INTRODUCTION

The Partnership Base provides a range of courses and opportunities that support young people to have the skills, knowledge and understanding to enter a positive, sustainable destination.

The courses are mainly practical and vocational in nature and are accredited so earn young people SCQF credit points (see below) which are recognised by education providers and employers.

Our young people may access one or a number of these courses per school year depending on their individual needs and circumstances.

For further information, young people and their parents and carers can discuss these options with Partnership Base staff listed on the last page.

COLLEGE

We help our young people access college options in the senior phase (S4-S6).

There are over many courses in a wide variety of industries across SCQF Levels 1-7 to support all levels of learning, and ensuring inclusive access.

- Admin, Financial and Business Services
- Creative and Cultural Industries
- Food, Drink, Tourism and Leisure Industries
- Health, Care and Education
- Land Based Industries
- Transition and Supported Learning
- Energy, Engineering, Construction and Manufacturing
- Foundation Apprenticeships

EXPECTATIONS

We expect our young people to be Ready, Respectful and Safe at all times.

Ready

Respectful

Safe

Attendance

Young people are expected to make a commitment to their chosen course(s) and attendance will be closely monitored. Young people must have excellent attendance in order to achieve the full qualification. Failure to attend may result in young people not achieving the full qualification.

Young people are expected to continue to attend college during their prelims where possible.

Transport

We will ensure that transport is in place to support young people's attendance at each course and activity.
